Zeehan

Accounting & Finance | **London School of Economics and Political Science**

Zehaan is a BSc Accounting & Finance graduate from LSE, where he is holds First Class Honours with experience across investment banking, private equity, asset management, and wealth management. He has worked with EY, PIMCO, Wizecap, Amakor Capital, and Kristal.ai, contributing to M&A, valuation, and investment analysis.

"Finance is not a subject you learn by reading about it. You learn it by making decisions with real consequences, even simulated ones."

As a mentor, Zehaan teaches the way he learned; hands-on. Students build real financial models in Google Sheets, run live portfolio simulations and analyse real companies using professional research tools, leaving each session with something they made themselves.

Interactive **Workshops**

Choose your future **with confidence**

Workshops are specifically designed to bridge the gap between educational theory and real-world execution. Students gain the opportunity to reality test their future, gain practical, portfolio-ready skills and benefit from direct networking and mentorship opportunities.*

Stock Analysis	Learn how investors assess companies and make informed decisions. Students will apply DCF, Comparable Company Analysis, and P/E ratios to value stocks, analyse business models and competitive positioning, and evaluate how market trends, industry shifts, and external factors influence investment performance.
AI in Finance	Get hands-on with OpenBB, a professional research platform used by analysts, exploring live stock data, earnings transcripts, and price targets. Finish with a discussion on how AI is transforming finance careers and the skills future professionals will need.
Maths for Finance	Master the maths behind everyday finance through interactive, real-world simulations. Explore compound interest, budgeting, credit, and risk-to-reward ratios while learning how to make smarter, data-driven decisions and build long-term financial confidence.
Financial Markets and Institutions	Build a strong foundation in banking, trading, and investment analysis. Explore how financial markets and institutions work, while gaining an introduction to stocks, bonds, forex, derivatives, and monetary policy—essential knowledge for anyone considering a career in finance.
Private Equity & Acquisitions	Step into the role of a private equity investor and make strategic decisions that shape a company's future. Work as a team to grow business value, manage investments, and navigate real-world challenges, experiencing the fast-paced world of investment and leadership firsthand.
Portfolio Simulation	Build and manage your own stock portfolio in a real-time investment simulation. Learn how risk, return, and diversification shape investment decisions while applying models such as CAPM and WACC to develop strategies that balance risk and potential returns.
London Academy of Trading	Step into the world of professional financial trading at the London Academy of Trading (LAT). Students will gain insight into financial markets, explore real-time trading environments, and learn from experienced traders about the skills and strategies used in the industry. Experience the trading floor. Explore the markets. Discover a career in finance.
LSE Campus Tour and Student Panel	Step inside LSE with a guided campus tour and informal Q&A with current finance students. Discover what life at a world-leading university is really like, hear first-hand application insights, and learn what it takes to pursue a competitive career in finance.

We are very proud to say that students have a 92% success rate of getting into their first choice university. Many have come on our Career Camps to enhance their personal statement and maximise their chances of success. Don't just take our word for it, have a look at what some of our alumni thought of their experience.

★★★★★ Medicine 2025

I really enjoyed the practical activities, we learnt suturing and did a simulated surgery. I also like that we got to talk to real doctors. I'd definitely recommend this!

98.9%

Satisfaction rate from students who have taken part in a Career Camp

★★★★★ Law 2026

The summer camps were really insightful! I attended the Law camp and learnt a lot about the profession in a practical way. We went to the Royal Courts of Justice, did a mock trial, and had some talks from lawyers.

99%

of students say they would recommend Career Camps to a friend

★★★★★ Psychology 2026

The sessions were extremely valuable and engaging. What impressed me most was how professionally the tutors managed to give each student individual attention while keeping them interested, involved and enthusiastic throughout the programme

★★★★★ Chem Eng 2026

Exposure to new clinical techniques and skills that I wouldn't have otherwise had the opportunity to experience. Our supervisor was extremely kind and engaging, and I felt she went above and beyond to make sure that we felt fulfilled and prepared after this week, whilst still making it enjoyable. I feel as if I have gained a multitude of new skills and gained advice from people that are in the position I aspire to be in eventually.

★★★★★ Finance 2026

I found the Banking and Finance work experience really useful. I got great exposure through the places our leader took us and learned a lot, despite knowing very little at the start. I'd recommend it to anyone interested in the field.
